Anjali Nanaware

Email: nanawareanjali15@gmail.com |Contact.:+918830316445 |Linkedin:www.linkedin.com/in/anjali-nanaware-474474280

SKILLS

- **Languages :** c++, Java , JavaScript, SQL , HTML, CSS,.
- **Frameworks:** Spring boot , Hibernate ,RESTful API
- **Databases:** Mysql, Oracle .
- **Tools:** Spring Tool Suite, Git, Github.

WORK EXPERIENCE

Technobrilliant Learning Solutions   Pune , Maharashtra
Frontend Developer Intern   Aug 2022– Sep 2022

- Collaborated with a team of 4 to design and build the frontend for a cafe website, improving user experience.

SevenMentor Private Limited   Pune , Maharashtra
Java Developer Intern   Dec 2024 - June 2025

- Contributed to the full software development lifecycle, gaining hands-on experience in modern web application architecture.
- Applied object-oriented programming (OOP) principles and best practices in a real-world project environment.

PROJECTS

Geospatial Area Calculator : https://anjalinanaware.github.io/AreaCalculationOnMap/

- Problem: Real-time area calculation for user-defined map polygons required to automate spatial measurement.
- Solution: Developed a web application that dynamically computes and displays the area of user-selected map polygons.
- Technologies: HTML , CSS , Javascript , Leaflet js , Turf js

Directive Do -Eisenhower Matrix Task Manager :https://github.com/AnjaliNanaware/Directive-Do

- Problem: Inefficient task management due to difficulty prioritizing urgent vs. important tasks.
- Solution: Implemented a digital to-do list application utilizing the Eisenhower Matrix to categorize and prioritize tasks.
- Technologies : React JS , Spring boot, Mysql , REST API

AI-Powered Smart Reply for Gmail : https://github.com/AnjaliNanaware/email-writer

- Problem: Time-consuming email replies and repetitive drafting hinder productivity.
- Solution: Spring Boot Gmail extension with Groq AI generates instant, relevant replies via an injected button.
- Technologies: Built with Spring Boot, powered by Groq AI, and integrated into Gmail.

EDUCATION

PCET's Nutan Maharashtra Institute of Engineering and Technology   Pune , Maharashtra
Bachelor of Engineering in Computer Engineering   Expected June 2026
Cumulative GPA: 9.52/10.0

Government Polytechnic Pune   Pune , Maharashtra
Diploma in Computer Engineering   2020 - 2023
Percentage: 88.73

Sau. Tarabai Shankarlal Mutha Kanya Prashala , Chinchwad   Pune , Maharashtra
SSC Percentage: 97.20
                                                                                                                          2020

PUBLICATIONS

Research Paper : Real-Time Geospatial Analysis: A Web Application for Dynamic Polygon Area Calculation 2024

- Published in : International Journal Of Creative Research Thoughts - IJCRT
 https://ijcrt.org/viewfulltext.php?&p_id=IJCRT2405905

Copyright : Registration Number: L-158291/2024   **2024**

- Title of work: A web application for area calculation on map
https://github.com/AnjaliNanaware/Certifications/blob/main/DownloadROC.aspx%5B1%5D.pdf

CERTIFICATIONS

- HackerRank Certifications : Problem Solving , SQL basic
- NPTEL Certification : Programming with java (Silver)
- Java Foundation Certification by Infosys Springboard

COMMUNITY LEADERSHIP

- **Community Lead at Art Club of College :**   Organized events, conducted workshops and competitions with 15+ participants
- **Technical Club Co-Head**
